

Lake Forest Hospital Important Information If You Are Expecting

On the morning of March 3, we will welcome patients to the new Northwestern Medicine Lake Forest Hospital. At that time, the current Lake Forest Hospital will close.

If you are pregnant and plan to deliver your baby at Lake Forest Hospital, it is important that you understand where to go for your labor and delivery. You may want to keep this information with your hospital overnight bag so it will be handy. Please ask your physician or care provider if you have any questions.

Current Lake Forest Hospital

From now until 6:00 am on March 3, all obstetrical patients should go to:

Lake Forest Hospital
660 North Westmoreland Road
Center for Women's Health
Lake Forest, Illinois 60045

Arriving and parking

Please follow campus signs to the Center for Women's Health. The hospital driveway and entrance can be accessed 24 hours a day, with convenient parking available. Once inside, the customer service agent at the main desk will assist you.

New Lake Forest Hospital

After 6:00 am on March 3, all obstetrical patients should go to:

New Lake Forest Hospital
1000 North Westmoreland Road
South Entrance
Lake Forest, Illinois 60045

Arriving and parking

Please follow campus signs to the South Entrance. The South Entrance and driveway are shared by the Emergency Department and can be accessed 24 hours a day, with convenient parking available. Once inside, the customer service agent at the desk will assist you.

Family and visitors are asked to use the hospital Main Entrance at 1000 North Westmoreland Road.
